## About the Artists

**Audrey Bechler.** Audrey began her art education along the coast of Massachusetts.

Her formal education includes the Museum School of Fine Arts, Boston, and a B.S. in education from Tufts University. She also studied in Europe. She has conducted watercolor workshops since 1969.

**Ralph Bush.** Ralph is an award-winning artist, his honors include selection as a Copley Society Master, and his work showing in the Great Hall of the Smithsonian Institute in Washington, D.C. Ralph's loose painting style and keen eye make his paintings a joy to the senses.

**Pam Cabanas.** Pam's design experience is evident in her skillful compositions and observations. Working in pastel, she captures both the form and the spirit that draws her to her subject. Seeking to have her work bridge the gap between her perceptions and reality, Pam takes the viewer on this exciting journey.
